Financial and Attendance Policies

FINANCIAL POLICY

As a courtesy to you, Golden Bear will file your medical insurance claims. The contract between you as a patient and your insurance company is, however, personal to you. Golden Bear is not responsible for issues between the patient and the insurance carrier, nor can Golden Bear intervene or negotiate for either party on disputed claims. Please advise us immediately if you change your insurance coverage while undergoing treatment. Physical therapy equipment and/or supplies are typically not reimbursable by the insurance carrier. As such, Golden Bear requires payment by the patient for any equipment/supply at the time the order is placed. Golden Bear will provide a receipt as documentation of the purchase so you may pursue reimbursement personally.

- I hereby assign payment of benefits by my insurance company to Golden Bear, and I accept responsibility to ensure my insurance carrier makes payment on my account within 90 days. Lack of payment by my insurance will result in all charges be transferred to my personal balance on my statement.
- I hereby agree to pay any office visit/co-payment at time of visit.
- I hereby agree to promptly pay my personal account balance including co-insurance or unmet deductible upon receipt of my statement. I understand and agree that responsibility for payment for services rendered is mine, due and payable unless other financial arrangements have been made. In the event of default, I agree to pay such collection costs and reasonable attorney fees as may be required to effectively collect the debt.

ATTENDANCE POLICY

Attendance at your therapy visits is your most important responsibility because it can make the difference between whether or not you succeed in your treatment. While we understand you may need to cancel an appointment because of unforeseen circumstances, we do require a 24 hour notice of cancellation. There is a \$25.00 charge for cancellation of a follow up appointment without prior notice or not showing for your appointment. This charge is not covered by your insurance, and you are required to pay this fee personally.

No Show Appointment: Is when a person does not show up to their scheduled appointment and does not call to give a reason for canceling. Patient will be taken off the schedule and referred to referring physician without warning if they have 2 no show appointments following their first Initial Evaluation.

Cancellation: We have the right to take a patient off the schedule at any time during their treatment and refer them back to the referring physician if they have a combination of 3 or more cancellations and no shows.

I have read, agree, and understand the above policy.
